Col: Rinconada De Atizapan  
Atizapan de Zaragoza,  
Edo de México c.p. 52967

#### Phone Number:

215-966-1529  
(Rings in Mexico)

Greetings from the land of daily rain! While in the states the warm summer months are drawing to a close, here in Mexico the rainy season is ¾ of the way through (daily rain in the afternoon). The kids have already gone back to school in Mexico. This month's culture lesson we will focus on education in Mexico.

### Culture lesson – Education

The biggest cosmetic difference in education here in Mexico City is that they have 2 different shifts, morning school (8:00 am -1 pm) and then afternoon school (2pm -7 pm)

Wikipedia.com puts literacy at 90%. However living here we believe that the number is high. We believe that about 75% of Mexicans can read and write.

### September Spotlight: Perez Family

September we are focusing on the Perez family. They are Miguel, Cristina, Victor and Fernanda. They are a wonderful family that has been in the church for about a year. Cristina visited us 2 years ago when we first got here. Many months later God brought this whole family into our church. (Miguel and their kids would not go with Cristina to the church she was attending. Please go read their testimonies and prayer requests at [http://www.chief-cities.org/City/news\\_spotlights.html](http://www.chief-cities.org/City/news_spotlights.html)

### Hope Baptist Church News

In September we celebrate Independence Day. We are planning a special service for Sunday the 16<sup>th</sup>.

We are also to make many plans for our first annual missions conference. Our goal is to have the church more missions minded and to be able to take on 2 more missionaries based on commitments. We are also working hard toward the goal of 100,000 tracts.

We have just received word that we will have to move as a church before the end of September. Will you please pray for us this month as we seek Gods will? Please visit

[http://www.chief-cities.org/City/news\\_spotlights.html](http://www.chief-cities.org/City/news_spotlights.html) for more updates.

### VBS Results

God blessed in a tremendous way for our first annual VBS. My brother Steve and his wife Kristen were a huge help and blessing to us. Our high day was an attendance of **52 children**. We had **25 first time visitors**. And we had **22 professions of faith** and many opportunities to see families saved as a result. We picked up many kids in our Dakota 4 door pickup truck. **The one day we had the truck loaded with 27 kids. Photos can be seen at <http://www.chief-cities.org/City/Photos.html>** Thank you for your prayers.
