Rebecca and I wish you all a Merry Christmas and a happy New Year. May we all focus on the Reason for the season rather than the commercialism of Christmas!

Culture lesson – Christmas Mexican Style

Christmas is celebrated a little different in Mexico than in the US. Their main day is the 24th in the evening going into the morning of the 25th. Also the main gift giving time is done for the children on January the 6th King Day.

Living Hope Baptist News

Still no news on the church building although we are not focused right now on finding a new spot! God has not given us a response so we are on hold. **(We are able to stay where we are however the rent was raised a total of \$150 USD)** Thank you for your prayers. We hope and pray that there will be a better solution after the New Year.

The church has had some great services recently. God has given a focus in the messages about Erroneous Concepts of the Christian life. This has dealt with the fundamental issues of what it means to be a Christian. The people have responded well. Please pray that they will be faithful in Bible reading, prayer and in church attendance.

Bits and Pieces

The monthly spotlight will return in January

The church is planning a **special day for Christmas on Sunday the 16th**. We would appreciate your prayers, especially that many who have not visited the church would come and those away from church will come back.

God has really blessed our visitation efforts and soul winning in the last months. We have seen a number of salvation decisions. Also more people in the church are slowly getting involved in church wide visitation.

Please pray for Bernardino and Jacqueline. This is the most faithful couple in the church. They are also personal friends and our neighbors. God has done a tremendous work in their lives. I believe that God will call him to preach. Please pray that if it is God's will, He will call him to do so and also wisdom for me to train him and other Mexican leaders.

Personal News

Lord willing we will be able to come home for Christmas. As some of you know last year around this time my father became ill. Praise the Lord he is doing very well physically and we will get to spend time with him and other family.

If the Lord wills, we are due for a furlough in the summer. Please pray that God would lead us concerning when, how long and someone to cover the church.
